

LNUL1178 - Lembongan

1000m2 Of Vacant Land On The Bukit With Beautiful Views To
Mt Agung And The Ocean

Calm, quiet and serene is the best way to describe the location of this lovely property.

Situated at the top of the hill approximately a hundred metres from the main road with views of the ocean and the majestic Mt Agung, this land is ideal for the investor who appreciates the sound of silence. Forget about the incessant noise of motorbikes and trucks all too familiar on the island now and revel in the solitude that a position like this offers.

1000m2 in size and teired in sections from top to bottom, build a home

away from home and enjoy the natural surroundings and when not there capitalise on the huge nightly returns/occupancy rates the

island now commands and steady capital appreciation into the future. Also big enough to construct a couple of villas side by side or even a small resort / retreat. Designated 3 meter direct access to the land from the public road.

Quality builder who I personally recommend to clients can make your vision a reality from initial concept plans to the finished product. Amazing expat interior designer now based on the island also available to consult on the fit-out.

Offered on a leasehold basis with 25+ years left with an option to extend another 40 years (20 + 20).
