18 Studios Complex In Seminyak

When one thinks of Bali, one thinks of great people and amazing traditions. One thinks of temples and dances. One thinks of Rice Paddy fields and majestic mountains. One thinks of peace and relaxation from the grind of the everyday world.

Just off the main road in Bali's #1 tourist spots in Seminyak! A studio development inspired concept with the amenities of a resort and the functions of the perfect villa. These studio apartments would be great for a retirement lifestyle.

The villas are set up with your comfort in mind. Included with the studios is the peace of mind someone would expect from any luxury resort. Onsite
