

LCAD280 - Karangasem

2.8 Hectare Hill Top Land With Unobstructed View

Walking Distance to White Sand Beach in Padang Bai, Leasehold

This 2.8 hectare of land is located within the area of Padang Bai – East Coast of Bali. Padang Bai is very famous with the white sand beach and Padang Bai is the main port where the ferry departs across to Lombok Island. This land is now available for long lease and very suitable to build a very exclusive villa resort. The contour of the land is perfect and every individual villa that will be developed will have unobstructed view to the Bay. Another View to the east coast you will see the Candidasa and straight opposite further you will see the Island of Nusa Penida. There is an
