24 ARE Freehold Land Sea views Kutuh Pandawa Beach

Here is a beautiful flat piece of freehold land easy to build on with great access – currently having many up market villas built near by – this will be the place to be.

This area is going ahead with a lot of development – best to buy now before the prices start moving upwards again.

This is an amazing 24 ARE plot with superb ocean views.

Very close to the popular Pandawa Beach – close now also to the new Mulia and all the other major hotels in the area with the new road traveling from Uluwatu to Nusa Dua – 10 minutes to dine in all the up market 5 star resorts yet away from the hustle and bustle.
