blue waters of the Savu Sea. Step straight from the property onto a clean, soft, white sandy beach and for the surfers enjoy the quality

wave that pumps left and right directly out front without the hassles of a crowded line up. It gets better for wave hunters as well, with no less than 7 breaks all within a few kilometres including Cobblestones, Magic Point and Periscopes. Great for kite surfing also when conditions turn onshore.

The resort has a long 50 year lease which is gold for a westerner looking to acquire property in Indonesia.
