

RCGU600 - Canggu Area

5 Bedrooms Tranquil Private Paradise Located in Berawa

Inspired by the relaxed tropical allure of Bali coastline, this villa blends to perfection modern contemporary architecture with the ease of island luxury living. Located midpoint between Seminyak and Canggu, this lavish double-storey designer villa showcases five bedrooms, an outdoor swimming pool, an encompassing lush garden with sprawling foliage, three lounge rooms, two kitchens, and six bathrooms. With iconic Berawa and Echo beach both ten minutes away, this villa is simply irresistible as your "must-experience" luxury villa in Bali. Large glass windows ensure ample mix of natural light and nature views at every turn. All bedrooms on the top floor overlook the magnificent garden pool and adjacent areas. The two ground floor bedrooms open out to the garden
