Secure Ownership & Investment Potential

The property's HGB (Hak Guna Bangunan) title provides virtually lifetime ownership (80 years with the option of renewal), allowing non-Indonesian citizens the right to sell, inherit, or lease the property on their own terms. This secure ownership status, combined with the property's prime location and superior construction, makes it a high-potential investment.

Flexible Payment Plan

A convenient payment plan is available, with payments linked to the construction progress:
