scooter. Lembongan is just a hop, skip and a jump away as well.

With the old “yellow bridge” just finished being re-built and a new bridge scheduled for completion at the end of 2018 (which will facilitate cars and small trucks) there has never been a better time to invest on Nusa Ceningan.

The owner of this 3000m²(30 Are) land also has on offer a further 1100m²(11 Are) rectangular shaped plot which steps up and adjoins the rear boundary. Develop individually or join both to make an impressive 4100m²(41 Are).

Freehold and with all relevant documents and certificates in place an inspection is an absolute must.

Priced at 6,300,000,000 IDR and is an absolute cracker.
