The luxurious apartment comes fully furnished with a well-equipped kitchen, big dining table and an elegant lounge area. The living space and the

bedrooms have wooden floors, the bathrooms have nice marble floors.

From the all-around terrace you have fantastic views over well-manicured gardens and the swimming pool area. Several restaurants and a free shuttle service to the beach with its beach club restaurant make living in this beautiful hotel very pleasant. Only a few minutes walking distance to the beach.

Managed by the Novotel Estate it is well-maintained and proves a great investment opportunity. A good ROI is guaranteed in case the apartment is used as a rental and of course provides a comfortable home for the owners.

A Leasehold Agreement guarantees full ownership until 2051. A 50-year extension is possible in case the company owner resort extends the lease.
