taste. Upon entering the property there are steps leading down to the main building with fish ponds on

either side of the entrance door and once inside you are welcomed by an oversized living area with high ceilings and traditional furnishings.

The main building comprises of 3 bedrooms all surrounded by tropical gardens, a spa and kitchen area. Also a covered outdoor dining area overlooking the beautiful stone swimming pool overhung with fragrant frangipani, adorned antique stone statues and the backdrop of the mature tropical trees with the peaceful sound of nature and the flowing river below.

At the bottom of the property there is a decent sized guest pavilion, a large garden area and bale for relaxing looking back towards the property and the beautiful landscape.

The property has huge potential for a peaceful family retreat along with the opportunity to generate rental income throughout the year. A highly recommended location and property investment opportunity.
