

LJBN1003 - Jimbaran

Prime Location Freehold Land for Villa Development

Located within the highly sort after area of Jimbaran, five minutes drive to the Ayana Hotel and five minutes to the famous white sand Jimbaran bay this attractive section of land will prove to be an excellent location for a villa development. Measuring 3.300m² the land has a perfect shape and has been levelled to allow development work to commence. A very good paved access road leads you to the site and the location is very private and secure.

The land will prove to be very successful to develop a small villa estate that can be sold off plan with attractive profit margins to be made. Good infrastructure is in place and electric and water
