year, including 2 restaurants (one 5 star the other 4 star) are a stone's throw from this property also. Crashed the scooter after a big night out? No problem with Lembongan's only hospital 250 metres from your doorstep.

Location is everything and it doesn't get much better than this. Sloping land, rectangular in shape and with beautiful views to the surf breaks and jungle, this position commands more than an average development. The options are many whether it be a classy private villa, boutique resort or commercial/residential mix (restaurant/boutique and accommodation).

Capital appreciation will be rapid and impressive in an area like this over the next few years as well as the return on investment with upmarket accommodation given the occupancy rates continue to climb on the island.

Offered freehold and available to inspect anytime.
