from every part of the land. You will experience a true WOW FACTOR feeling once you have seen the site and future development will prove to be very rewarding.

Within 20 minutes drive you can reach Sanur and close by is the famous Komune beach club. An architect can design a mix of a hotel / villa estate including the space for a very unique beach club at the front of the land with direct access to the beach. The area of Saba has massive potential for capital appreciation so an option to purchase the land now and resale in the future, will generate very healthy profits. The land is zoned within tourism accommodation so operating permits can be obtained to commercialize once you have developed on the land. It's by far the best beach front land investment in the area. All legal documentation is 100% clear and ready for a smooth and stress free investment!

Subdivision / plot size:

Seller is offering whole site 6 Ha and subdivision options of 13.600m² with 90m beach frontage or 46.000m² with 150m beach frontage.

Smaller plots ranging from 3700m² – 5600m² are possible for villas with direct access road to the beach.

Site has public road access via side roads off Ida Bagus Mantra Bypass.

Seller will provide additional access to public road for all subdivided plots as necessary.

Pedestrian access is available to:

Komune Beach Club

Keramas Surf Break

Existing public access road to the beach
